FAQ

How often should I check on or update my account?

Renew your Safeway card annually. Each year, to stay active with Safeway, log in to your eScrip account (your account will deactivate if it has been longer than a year since you last renewed); then click YES to recommit that you want Safeway to make a donation when you use your Safeway card.

How can I add my Safeway grocery card if I don't know my card number?

If you use your phone number and don't know your card number, call 1-877-723-3929.

Does eScrip cost me more when I shop?

No, the merchants make the donation at no extra charge to you.

Are my credit card purchases protected?

Yes, credit card purchases are protected in the same way all your general purchases are protected through the credit card issuer. You can view the eScrip privacy statement at the eScrip website at www.escrip.com.

I heard that credit and debit cards expire in eScrip, is this true?

Expiration date changes do not require updates in eScrip. However, each time you receive a new card, or if the number of your card changes (i.e. due to a lost or stolen card), please update the new card number in eScrip.

What is the eScrip Customer Service phone number?

1-800-400-78787.

If I have additional questions, whom can I contact?

Please contact Marlene Tuzar, your HSF eScrip Chair, at marlenetuzar@earthlink.net, or call Marlene at 408-393-7333.
